The President's Column

A few months ago the national club engaged a professional survey to get an idea of what we are doing right and what we need to improve. The survey generated an 11 page report that we are mulling over to try to understand the results and come up with an action plan to address any issues. Our goal is to improve our communication with our members and to do a much better job of getting people involved with chapter activities. We are good at putting on events that interest the board of directors. We have built a reputation for our excellent Autocross programs, we are building our driving tours, tech sessions and we put on a great clean car and charity event. We aren't as good at putting on family friendly events and need help coming up with interesting things to do. We need to get beyond the survey numbers to understand what we can do to engage more members and make the club valuable for all our members. The board will be working on that for the rest of this year and into the New Year. If you have ideas or suggestions, please send them my way at sd-president@sdbmwcca.com or come to a board meeting and let us know what we can do better.

The chapter usually doesn't have a lot of events scheduled in the Fall. This year is an exception, we have lots of fun events scheduled. We have Autocrosses in October, November and December for our driving enthusiasts. In November we are going to BMW of Murrieta to tour the dealership and hear racing stories from none other than Boris Said. We are planning a tech session about how to modify your driving style to get the best out of your tires. We will finish off the year with our Holiday Party at the San Diego Auto Museum. I look forward to seeing lots more of our members at our events and hearing your ideas for next year.

Our next board meeting is October 8th at 6:30. We welcome new members, come by and see what we are planning. The formal meeting starts at 6:30, but get there at 5:45 for pizza, soda and conversation with fellow BMW fans. All members (and prospective) members are welcome. Hope to see you there.

— Jim

Secretary's Report – Brett Litoff

The minutes were approved with corrections.

Treasurer's Report – Don Duncan

We are still working on getting a refund from club racing and will be reimbursed for costs associated with Oktoberfest.

Membership Report – Kim Dais

We currently have 1599 members in our chapter.

Oktoberfest Autocross Planning – Kim Schwarz

We are working on finalizing a course for the autocross.

Equipmentmeister Report – Rich Gehring

The truck and trailer are ready for Oktoberfest.

Speedfest Planning – Jim Patterson

We will have a tent for the arrive and drive event but it will be shared. We are looking do a constant contact e-mail advertising the 150 tickets available.

Social Events – Anne Littrell

Classic Car Night at Charlie's was a success.

We sold 9 out of 10 tickets for Shakespeare at the Globe. Lisa stated she would have gone along with others if it weren't on the same day as autocross.

We are looking to do a group event to see Rush, the movie.

9/12 Test-drive at BMW of Escondido starting at 6:30pm. There will be a drawing for an Ipod as well at the event.

Tech Session

All German Auto

Wednesday, November 30

6:00 PM

Martin Christiansen, owner of All German Auto and team manager, will show a 45 minute video “Road Warriors: Baja 500” and will give us a behind the scenes commentary on the race. The video was actually put together by COPS racing so the promo is mostly about them. It’s funny because All German beat COPS despite many delays due to mechanical issues.

Baja racing makes F1 look easy. They are driving over various terrains, day and night. The desert beats the cars to pieces so the biggest challenge is keeping them going with limited pit access. It is interesting to meet the team manager and see actual vehicles of a team that is right here in San Diego.

Monterey Weekend & Coast West O'Fest

Photos: Lisa Goehring

Late August is already a beautiful time of year to visit the Central California coast. This year, the Monterey peninsula provided an exquisite backdrop for hundreds of beautiful BMWs from all over the country, drawn to the area for a triple header of marquee BMW Club events: the Legends of the Autobahn, the Festorics/Motorsports Reunion at Laguna Seca, and Oktoberfest!

Monterey Weekend kicked off with the fifth annual **Legends of The Autobahn Concours d'Elegance** and show—a celebration of German automotive engineering organized by the Central California Chapter. Held again at the Rancho Cañada Golf Course in Carmel Valley, it was a spectacular venue to display the hundreds of immaculate cars with German heritage, even the ones without roundels.

Monterey Weekend & Coast West O'Fest

The serenity of Legends was followed by the **Festorics and CCA Corral at the Monterey Motorsports Reunion**—a weekend filled with roaring engines, rare vehicles, vintage racing, and rides at Laguna Seca Raceway. The Corral overlooking Turn 5 provided a spectacular vantage point from which to view the activities, relax, and enjoy a cold Spaten.

Spectators were able to get a first look at the new M4 concept on display in BMW's paddock area, and sign up for hot laps around the track with the Performance Center's Mike Renner.

Photos: Lisa Goehring

It had been nearly 10 years since a **BMW CCA Oktoberfest** had been held on the west coast. Close to 100 San Diego Chapter members took advantage of opportunity to participate in the CCA's main event of the year – a weeklong gathering of members from all over the country to celebrate our club and our cars.

It's a microcosm of what makes the CCA the club that it is. There's something for everyone: tours, concours, TSD and Fun rally, Car Control Clinic, Gymkhana, Driving School, Autocross, Photo and Trivia contests, great food, great beer, and great friends!

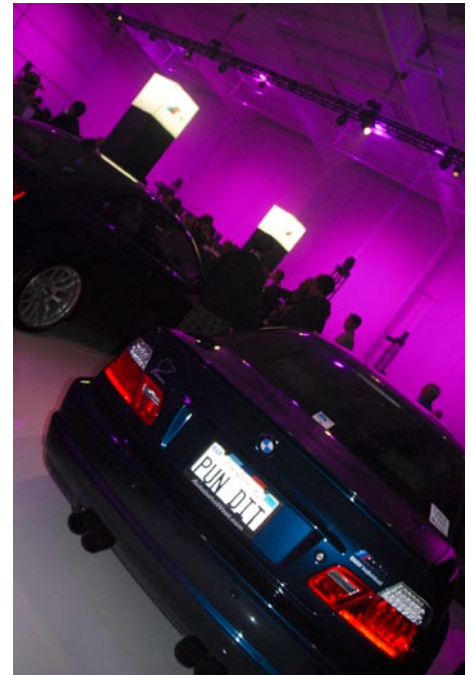

Photos: Lisa Goehring

The week began with a factory tour of the Dinan Engineering facility in Morgan Hill, a Welcome Reception (hosted by BMW of El Cajon!), and a fabulous Concours. Several of Concours awards even went home with San Diego members.

B M W C C A
OKTOBERFEST
 M O N T E R E Y 2 0 1 3

BMW M helped ramp things up with a special event celebrating the history of the M3 models, and exclusive unveiling of the M4 for CCA members. Steve Johnson and Dan Tackett's M cars were chosen to represent the E30 and E46 M3s.

The San Diego Chapter's Autocross Team was responsible for designing and running this year's Autocross. The available area was smaller than we're used to, but the autocrossers enjoyed it!

Photos: Lisa Goehring

The final days of O'Fest were a blur of driving schools, autocrosses, and Friday night Awards Banquet. Some members stayed for an extra track day on the famous Laguna Seca Raceway, while others headed down the coast for a group tour of Hearst Castle. It appeared that this West Coast O'Fest wrapped up with great reviews and one of the highest attendance rates ever — over 1000 people!

Join the experience at next year's O'Fest in the majestic Rocky Mountains. Mark your calendars for Oktoberfest 2014 in Beaver Creek, Colorado next June!

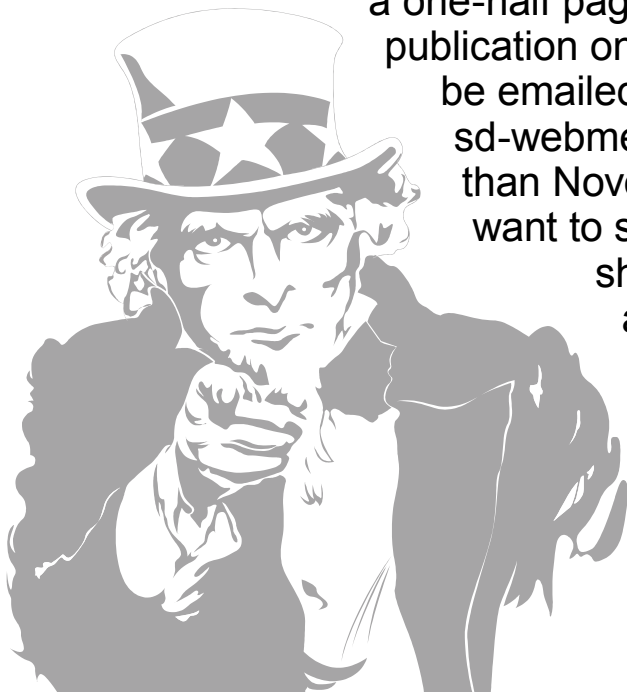

—Lisa Goehring

YOUR CLUB NEEDS YOU!

We're looking for a few good men and women to help our Chapter. That's right, annual elections for the San Diego Chapter's Board of Directors are just around the corner on December 10th. All of the Chapter's events are planned and organized by your all-volunteer Board of Directors. The Chapter is looking for folks who are interested in getting involved on a regular basis to become new board members. All members are encouraged to run for office. If you already come to the board meetings, you're halfway there. As a board member, you get to vote to make changes and be heard on issues that are important to you. *See detailed position descriptions for each board office in the next issue.*

In addition to job-specific roles, all board members commit to attending the monthly board meeting on the second Tuesday of the month for one calendar year. Outgoing board members are dedicated to the success of our Chapter and will mentor new officers to ensure a smooth transition to the new Board.

Anyone wishing to run for office may submit a one-half page statement of candidacy for publication on the website. Statements may be emailed to the webmaster at: sd-webmeister@sdbmwcca.com no later than November 30, 2012. If you don't want to submit a statement, you can just show up on December 10th and announce your intention to run for office. All candidates will be afforded the opportunity to make a short verbal statement at the December 10th election meeting.

Brats in the Lot Autocross

Saturday, October 5th!

Photos: Lisa Goehring

Our sincerest thanks to BMW of El Cajon for bringin' the brats and for their continued support of our Autocross Program!

Note: We do run if it's raining—you'll learn more and your tires will wear less—so if you see some unusual drops of water falling from the sky, grab your raingear and head to the Q! Also, the helmet standard has changed to require Snell 2005 or 2010 ratings. Check yours now to be sure it's up to date—rentals are limited.

The entry fee is \$65, including breakfast items, lunch and beverages. You can pay online if you register in advance at <http://sdbmwcca.motorsportreg.com>, or with cash or check if you wait to register onsite. You must be a BMW CCA member to participate, and you can join online at www.bmwcca.org in advance. Please print and bring your membership confirmation if you have not yet received your BMW CCA membership card. We check membership of all participants at the gate. Our Chapter autocross policy gives priority to members who are driving BMWs or MINIs. Members driving non-BMWs will be allowed to participate if space is available.

REMEMBER: IF REGISTERED ONLINE, BRING PROOF OF MEMBERSHIP AND ARRIVE BY 7:30 (BEFORE ON-SITE CUT-OFF) TO KEEP YOUR RESERVED SPOT

Online Registration:

will be open from Sept 14th – Oct 1st

Register Online at <http://sdbmwcca.motorsportreg.com>

October is a special time of year for those Bavarians who make our Motors Work. We'll celebrate by running 'em to the redline and enjoying an Oktoberfest bratwurst barbecue for lunch. We'll be in the Southeast Lot and since we had such a positive response to our last autocross in the SE lot, you won't want to miss this one!

When you arrive:

1. If you registered online, stop at the gate to sign the waiver and notify the Gate Greeter. Your name will be checked off the pre-registration list. All participants must show their BMW CCA membership card. Those who did not register online will receive a numbered card at the gate in their order of arrival; take it to the Registration table. There is no guarantee that spots will be available for those who wait to register the day of the event.
2. Empty all loose items from your car, then go through the Tech Line and have your car inspected. Bring your Tech card and you will receive Tech and helmet stickers.
3. Take Gate card and Tech card to Registration to get checked off for pre-registration or pay your \$65 entry fee. You will receive car numbers to place on your side windows.
4. If you don't have a helmet, you can rent one from the club for \$10.
5. Your entry fee of \$65.00 includes one lunch and unlimited beverages. Additional lunches can be purchased at Registration for \$7 each.

Gates will open at 6:30am; tech and registration will open at 7:00am. Tech will close at 8:20am and no

cars will be inspected or allowed to run after this time. There is a mandatory drivers meeting at 8:30am and the course opens for runs at 9:00am.

Car Classifications:

- 4C** ALL 4 cylinder BMW models (except E30 M3)
- 6S** Stock 6 or 8 cylinder BMWs up to 295 factory horsepower
- 6M** Modified 6 or 8 cylinder BMWs up to 295 factory horsepower
- TS** Stock 6-8-12 cylinder BMWs over 295 factory hp, M cars before 1994
- TM** Modified 6-8-12 cylinder BMWs over 295 factory hp, M cars before 1994
- MS** Stock M cars, 1994–present
- MM** Modified M cars, 1994–present
- MC** ALL R-class MINI Cooper models
- X** ALL non-BMW or MINI models
- G** Gold Class for all Instructors, opt-in drivers, and cars with slick tires

Stock classes permit any size wheel and tire; non-stock shock absorbers, bushings and strut braces; any brake pad material (brakes must be stock-size), any air filter or cold air intake or cat-back exhaust; and naturally-aspirated cars may use aftermarket engine management software. Tires must be 140 treadwear rated or higher in Stock. ANY other

performance modification, including but not limited to springs, “R”-compound tires, and engine software for turbocharged/supercharged cars, puts the car in Modified. Non-DOT tires (i.e. slicks) on any car place it in Gold Class. All cars must be under a 92 dB noise level to be driven at Qualcomm—and we’ll be checking. Our car classes are kept simple so we can use the honor system.

Women drivers and Novices are classified based upon the car they are driving. We also award a Women’s Class trophy to the woman with the fastest time, and two Novice trophies to the two fastest novices. This means women and novices will be eligible for multiple trophies. For example, a very fast novice could win a novice trophy and a trophy in his car class. Remember, you are only a novice for the first and second time you autocross, and if you win a trophy you are now a ringer, not a novice.

Penultimate Autocross on Saturday November 9!

Online Registration will be open from Oct 19th – Nov 5th

Register Online at <http://sdbmwcca.motorsportreg.com>

We have only two autocrosses left this year, so gear up for our Penultimate Autocross in the **West Lot** of Qualcomm on November 9th! Register early so you don't miss out on a day filled with friendly faces and fast paces!

Newcomers: We've all had a first time and we're all still learning, so relax, have fun and enjoy your time with us. You will have an instructor take you around the course for one lap in your car showing you turn-in points, braking zones and so on. Your instructor will then ride with you for your next three laps helping you learn

the course. In your next session, and the timed runs, you can have an instructor with you as much or as little as you want—whatever makes you comfortable. These events are what you make them; you can push for good lap times and enjoy the friendly competition or you can have more of a social event where running laps is just another part of a fun-filled day.
